

The Reinhardt Report

LOOK UNTO ME AND BE YE SAVED ALL THE
ENDS OF THE EARTH... ISAIAH 45:22A

BLESSINGS IN CUSCO

On July 23rd Rebecca's mom, Phyllis, arrived to stay with us for a few

weeks. We were all excited to see her and all the goodies she brought us from the U.S. Natali and Neomi are keeping her busy always wanting her to play with them! We praise the Lord that she arrived safely without any

flight problems!

On July 13th we had the girls adoption hearing.

Praise the Lord everything went great! The judge approved all of our paperwork for the adoption. The next step is to have papers signed by the biological mom, and then we move into the actual adoption. Thank you all for your prayers on this matter.

Due to swine flu concerns the government ordered all schools to start their winter breaks early. So, during winter vacations we've had Club Berea on Wednesday mornings and Youth group on Thursday afternoons. Attendance has been up for kids club and down in the youth group. Please continue to pray for these ministries.

As many of you know over the past several months we have been raising money for our car fund. If you would like to give towards it you can send any money designated: "Car Fund Peru" to our home church: Twinbrook Hills Baptist Church.

On July 28th Peru celebrated its Independence Day. We had special services the Sunday before

and the Lord greatly blessed. We had a total of 19 in attendance and 5 were first time visitors! Rebecca and Phyllis cooked lunch for everyone and we played games after lunch. It was a great time of fellowship and we praise the Lord for it!

Please continue to keep the work in your prayers. God is working in wonderful ways here!
