

THE REINHARDT REPORT

"Not unto us, O Lord, not unto us, but unto thy name give glory, for thy mercy and for the truth's sake."

We hope you all have had a blessed month! The Lord has blessed us and continues to amaze us with His goodness! We are excited about what God is doing in the work. Please don't forget to pray for us!

Mother's Day

We wish all you mom's a belated "Happy Mother's Day!" This Mother's Day was special for Rebecca since it was the first time that her and her mom had been together for Mother's Day in about 10 years. My sister was also here with her children. We had a great Mother's Day service with 5 mom's in attendance!

"Goodbye's"

It is always wonderful to have family visit but never fun to say goodbye. We have grown accustomed to it since that is the life of a missionary but it doesn't get any easier. We said "goodbye" to our family on May 13th. We had a great time with them and are thankful for the 3 weeks they were here!

Neomi and Natali

The girls are doing good! Right now both are sick as we are getting into our winter months. They are looking forward to starting the 4th grade in the coming weeks, but they don't like Math!

Iglesia Bautista Fe

For those who may not know, Faith Baptist Church is the name of our work here in Cusco. After celebrating our 2nd Anniversary last month we have been challenging our people with a series of messages on "Moving Forward". Our emphasis has been on moving forward with vision, with passion, and loving souls. We are trying to stress the importance of living a life of evangelism and witnessing to those around us. During these messages we had a first time visitor named Carlos (he has since been back the last 4 Sundays!). Carlos invited a friend who came a couple weeks later. You could see the excitement on our people's faces to see the result of Carlos's invitation. This drove home the point we have been trying to make. Pray that they will be excited to invite people and live out the Gospel in their day to day lives. Please pray for Carlos as well. He is an accomplished professional who gave up his job on the President's (Peru) staff because he felt God wanted more for him. He is not sure what God's will is, but meanwhile he wants to be a witness for Jesus!
