

# THE REINHARDT REPORT

"That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death;" Philippians 3:10

We want to wish you all a great day celebrating the resurrection of our Lord and Savior! By the time many of you get this Easter might already be past. May the Lord bless your services!

## March

We are praising the Lord for an encouraging and blessed month! March is the start of the school year here so most families spent the month getting back into a daily routine. The Lord continues to bless the Saturday Kid's Club we have. We usually have between 20-30 children. We have a few who are in the pre-teen years and many more who will soon be there. We have started to have a monthly meeting for these pre-teens to give them something more on their level. So far the meetings are going good.

This month we said goodbye to Paul. He had to report back to Bible College by mid-March. In the picture to the left you can see Paul preaching. He was very nervous, but he preached a challenging message. Please keep him in your prayers. He is back to his studies and interning in a church in Arequipa. We have been so encouraged by what the Lord is doing in the work here. Our

attendance in Sunday school has been up. The people have been arriving almost on time and some even early! We have another missionary family who is attending and helping as they seek the Lord's will for the next step in their ministry. The Lord has also brought us two new families who have been consistently visiting with us this past month. Please join us in praising the Lord! Pictured to the right is a Peruvian missionary named Daniel Matsuda. We were privileged to have him preach for us at the end of the month. He and his family are praying about filling in for us for the months we will be on furlough.

### Prayer Request

- Please pray for our Easter services.
- Pray for our anniversary services on Sunday, April 26th.
- Pray for the spiritual growth of those attending the mission. We praise the Lord for a high day of 32 this month! Most of whom were regular attendees. We still only have a few who are actual members.
- Pray for wisdom for Daniel Matsuda and his family.
- Pray for our family as we are hoping to take a 5 month furlough towards the latter part of the year.
- Pray for wisdom in teaching and training as the work grows.
