

THE REINHARDT REPORT

"That I may know him, and the power of his resurrection, and the fellowship of his sufferings, being made conformable unto his death;" Philippians 3:10

Thank you all so much for your prayers for the ministry here and for our family. The Lord is blessing the work here in Cusco!

April

We started off the month as you all did celebrating the resurrection of our Lord and Savior! The Lord gave us a great Easter Sunday with several visitors and the highest attendance we have ever had! We had a great time of food and fellowship after the services as well. We praise the Lord for His blessings! The Lord is doing great things here in the mission. Things

seem to have turned the corner, but there is a lot of work to do to get people involved and not just attending. Our attendance has stayed steady this month and the space we rent is just big enough for those attending. The owners of the space we rent for the mission are wanting to raise the rent by \$100. We have been looking for new places to rent but so far haven't found anything suitable or in our price range. Please be in prayer for our rental situation. Please pray for two men who we started Bible studies with this month: Alex and Fernando. Neither men appear to be saved, but they are interested in studying the Bible and are asking a lot of good questions. God is working in their hearts.

On Sunday April 26th we celebrated the 3rd year of the mission. We rented a place out in the country and had our service and celebration there. It was a blessed day. Almost everyone was able to be there. Once again the Lord blessed! It was a great day to build relationships with those who have recently started attending. It was also a good opportunity to deepen relationships with those who have been attending for some time. Thank you for your prayers. After years of struggles we are basking in the Lord's blessings!

Prayer Request

- Please pray that we could work something out on the rental of a property for the work.
- Pray for Alex and Fernando.
- Continue to pray for our family as we plan to take a 5 month furlough towards the latter part of the year. We have been praying to return in August. We are still waiting on some documents for the girls that have held us up in setting a definite date. Please make this a matter of prayer also.
- Continue to pray for wisdom in teaching and training as the work grows. Pray for spiritual growth in those who are attending.
