

THE REINHARDT REPORT

“Declare his glory among the heathen, his wonders among all people.” Psalm 96:3

We pray you all had a great month of July. It is really hard to believe that we are 7 months through 2024! What are you doing to see God's kingdom advanced?

Moving Day: This month found us packing up the things we've accumulated and been given in the year since being back and then unpacking all of that plus our things from Peru. We are still unpacking, but we are moved in! Our move involved about 300 miles of traveling, a couple of big truck loads, and lots of help from family. About 16 months ago we moved from Peru. It is amazing to see how God has provided for us throughout this period of waiting. We are so blessed! Thank you to those who have been so generous with time, resources, and money to help us get to this point! As we look at our home we can't help but thank God, knowing that the majority of the things in it were given to us from very precious and special people.

Family: Natali and Neomi start Project Life on August 8th. They both are excited and nervous as they look forward to the start of the program. They both got to take part in a program offered through the 4H program where they learn to take care of a farm animal along with their mentor. They loved getting to take care of a couple of pygmy goats! Becca has been extremely busy this month with the move but is quickly making our house a home. We enjoyed celebrating her 4th birthday and Independence Day with family.

Building relationships: For the past few months I have stayed in contact with a young man (Mario) from Ecuador living in the Dayton area. This past month, Becca and I, were able to meet him for lunch and get to know him more as well as share the gospel with him. Mario is from an indigenous tribe in the Ecuadorian jungle but grew up going to a Catholic all boys school. He has introduced me to three other men from Ecuador who rent with him. He, along with these men, are open to studying the Bible with us. We have also been able to visit new people and build some new relationships in the Spanish ministry. Pray for us, me especially, because I tend to be more task-oriented over building relationships. That means I can be impatient with the time it takes to build relationships.

This month we looked at a store front for rent in downtown Dayton. As you know, we have been offered to use space in two different churches to start the church plant, but we are also praying about the possibility of starting in our own space. Please pray for wisdom in this matter.

Construction: Faith Baptist Church (Cusco) was able to pour the second floor just a couple of weeks ago. Thanks to one of our supporting church's very generous offerings the people will soon be meeting on the property. Thank you once again to all who have given since we started this project in 2022! This step will help the church have more stability and by God's grace move forward for years to come. Right now they are meeting in a restaurant of one of the ladies who is attending but that has not stopped them from continuing to try and reach people. They had a winter VBS this past week that was well attended by neighborhood children. Pray for Ps. Paul as he wades through paperwork to try and get water and electric on the property. Thank you all once again for continuing to hold the ropes! Please continue to keep us in your prayers.

Praise and Prayer Requests:

- 1). Praise the Lord to be moved in!
- 2). Praise the Lord for progress on the building in Peru!
- 3). Praise the Lord for the opportunity to go to Honduras on a mission trip this month of August! Please pray for this trip.
- 4). Pray for Mario and his friends to be able to study God's Word with me and for their salvation.
- 5). Pray for the relationships we are building in the Spanish ministry and in the Hispanic community.
- 6). Pray for teammates to minister alongside of us in the ministry God has called us to.

Please reach out and let us know how we can pray for you.
