

THE REINHARDT REPORT

“Declare his glory among the heathen, his wonders among all people.” Psalm 96:3

Greetings from Ohio! We pray you had a blessed September. Our hearts are heavy for all those who have been affected by Hurricane Helene. We know many of you have loved ones, sister churches, and brothers and sisters in Christ dealing with the aftermath of this storm. Please know we are praying.

Ministry: The Lord blessed us with a lot of opportunities to serve this month. It seems even with a year and a half of living in the U.S. we still have trouble getting use to the pace of life here, but we thank God for privilege to serve. In the Spanish ministry at BBC we continue to try and leverage the relationships the church already has with Hispanic children on their bus routes to reach the parents. We are also taking advantage of the church's special activities to invite the Spanish-speakers. We were very encouraged to have the entire group at a family bonfire night that the church had. It was a good time to get to know the families better. The following Sunday we had the best group we've had to date with 13 in attendance. Please continue to pray for the salvation of these parents. Many of their children profess Christ but for true family transformation the parents need a personal relationship with Him.

We are excited for our first formal Bible study in Dayton starting October 6th! Please pray for this first step towards our goal of a Hispanic church. This month was a month of networking as we look to get plugged into the Dayton Hispanic community. A member of Cornerstone Baptist who is also a police officer for the city of Dayton invited me to an event for the Hispanic community. I was able to meet the president of the Dayton Hispanic Chamber of Commerce as well as the Spanish-speaking liaison for “Welcome Dayton”. As a family we were able to attend Dayton's Hispanic Heritage Festival and give out information about the Bible study. It was exciting to meet some fellow Peruvians also! We need your prayers as we seek to gather a core group of people to disciple and train for the future church. Pray for people to come, pray for their salvation, pray for willing hearts to learn God's Word, and pray for co-laborers who speak Spanish to team up with us.

Peru: Thank you once again for your prayers and support for Faith Baptist's building project in Cusco. A year ago we broke ground and the foundation was laid. This past month the people were able to meet in the building for services. Praise the Lord! Little by little, as God provides, the people will have to do the finishing work. Being in the building has allowed Pastor Paul to start the youth group up again and the regular Saturday Kid's Club. They are already reaping the benefits of having their own space. Pray for Paul and his wife Roxana. He is discipling two young men and they have in-house Bible studies nearly every night of the week.

Family: Neomi and Natali are making progress in their program. Both girls have received positive and negative feedback from their job coaches but overall are learning the skills needed for the future. Pray for our girls to grow in the “grace and knowledge of our Lord Jesus Christ.” Rebecca is staying very busy keeping all of us in order, helping in the ministry, and working a part-time job. Our home church had a send-off/commissioning service for us at the end of the month. Our pastor preached a special message focused on church planting, the church prayed over us, and we had a great lunch fellowship afterwards. Thank you Winton Place B.C.! Thank you all for continuing to hold the ropes!
